George,

Per our telephone conversation today, I am writing this to you regarding George Greatrex who is our attorney at the Hunt Club.

I have served on the Board of the Hunt Club Association for the past sixteen years, first as the treasurer and for the past ten years as president and am now starting another two year term.

After I had been on the board for a few years, we decided that it was time to search for a new attorney. We interviewed several attorneys and chose George Greatrex. It was and continues to be one of our best decisions. George is dedicated to his clients and extremely knowledgeable in handling Association matters and collections. When we first hired George, he was with a different firm and we followed him to his current firm without hesitation. His supporting staff is just as dedicated as he is to their clientele. While I have seen many Board members come and go while serving as long as I have on the Board, every one of them has had the greatest respect and admiration for George. While he may not always be able to tell you what you want to hear, he will ALWAYS tell you what you need to hear.

If you or any of your fellow board members have any questions or need any additional information regarding George, I would be happy to answer any questions.

I would highly recommend George to any Association without hesitation – he is that good at what he does.
