Attention: Gregg A. Shivers, Esquire

Dear Gregg:

This is to acknowledge receipt of the final settlement check pertaining to my beloved husband's medical malpractice suit.

Gregg, I wish to thank you, your partners and wonderful staff for all your hard work and legal expertise extended to my son, Kevin and I over the past 6 years, and in bringing our case to a successful settlement and closure. In spite of all the court adjournments and unforeseen circumstances (snow day closings, the Judge getting sick, and a new Judge appointed), you never waived your integrity and passion for our case. I certainly appreciated your patience and guidance in preparing me for my depositions in court. I was truly a nervous wreck, but somehow, you got me through the ordeal. Thank You, Thank You!!

Gregg, you represented Kevin and I with the most profound legal expertise and true professionalism, which was above and beyond the call of duty. Your presentation during opening statements, arguments and summations was absolutely brilliant, and with Don Gosnay at your side, I was comforted and honored to have such a talented team right there with me during such overwhelming and stressful days.

The passion and support shown by the girls from your office, Karen, Denise and Lisa, who came to the trial on 2 different occasions was phenomenal. As you know, we are a small family, however, with their presence, I felt like I acquired an extended family.

My son, Kevin and I were truly blessed when we were referred to your "Prestigious Law Firm". Hopefully, someday I may have the pleasure to recommend a family member or friend also.

May God continue to bless and guide all of you everyday in obtaining justice for all your clients. As my dear husband, John would say "You Guys Are True Champs".

My love and thanks to all of you.

Sincerely,

Anne Darcy

Kevin, Sheila, Kaitlin and Emily too!!
