

Dear Mr. Shivers,

My mother and I could hardly believe when our attorney (Jack Vorpnicer) told us that another lawyer whom he didn't even know was providing him with information regarding an expert witness (Francis Murphy) who was testifying against us.

Thank you so much for your assistance, generosity (giving your valuable time in research), and kindness.

It is attorneys like you and Jack who give lawyers a good name.

Thanks again.

Fondly,

Laura Evers and Mrs. P. Filipowicz
